

REMARKS

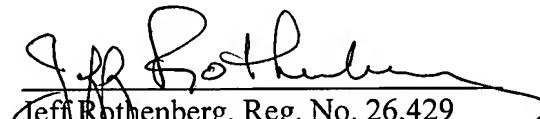

Reconsideration of this application, as amended, is respectfully requested. By this Amendment, claim 1 is being amended for enhanced clarity, claim 4 is being amended to delete a redundant feature, claims 5-7 are being canceled, and new claims 8-11 are being added. The addition of "new matter" has been scrupulously avoided. Claims 1-4 and 8-11 remain in this case.

In the last Office Action, then pending claims 1-7 were rejected under 35 U.S.C. 112, second paragraph as indefinite. Each instance of indefiniteness noted by the Examiner is being remedied by this Amendment. Accordingly, the Examiner is requested to reconsider and withdraw this grounds of rejection.

The indication that claims 1-7 appear to the Examiner to be drawn to allowable subject matter, is gratefully acknowledged. By this Amendment, the claims have been clarified and placed in condition for allowance. Such action is respectfully requested.

If it would advance the prosecution of this application, the Examiner is cordially invited to contact Applicant's representative at the below indicated telephone number.

Respectfully submitted,

Jeff Rothenberg, Reg. No. 26,429
Attorney for Applicant
